

I would like to introduce myself as the Marketing Director for Uno Chicago Grill in Viera/Melbourne, Florida. We have many exciting programs and opportunities to support the extra needs of your school which includes our newest program called "Adopt Our School."

Some of the activities Uno Chicago Grill can provide to the school are:

- **Kids' Awards** - Certificates which act as incentives for children to excel in academics and athletics. Awards entitle a child to come into our restaurant and make their own pizza!
- **Job Shadowing** - Opportunity to spend time with some of our key players to get an inside look into a restaurant operation and management
- **Teacher Appreciation Luncheons** - Special events to recognize your dedicated staff. We're also happy to provide you with discount coupons for these important individuals who make such a difference in the lives of students.
- **Field Trips** - Bring a group of students into the restaurant pre-opening and they can learn the ropes of being a pizza cook. They'll of course get to make their own!
- **"Dough Raiser" fundraising opportunity** - How about a fundraiser to raise funds for a school club or group, PTO/PTA, or teachers? All you have to do is set up a date with our restaurant to hold your event and we supply a donation ticket for you to distribute to your supporters. Get the word out and encourage everyone to eat at UNO on that day. Promote the event through flyers, newsletters, emails, etc. You will receive up to 20% of the sales for your school! We will provide you with a Calendar of Events to make you aware of the events and their details.
- **Catering** - We would love to cater your next meeting or luncheon at your school. We have a great menu designed just for catering. This can be stress free; we will set up everything, serve, and clean up! Call the restaurant for further details.
- **Delivery** - We now deliver. For orders over \$40.00 Use our Online ordering system. It's as simple as going to our website at www.unos.com; select our location; put in your food order and under the comments, let us know you would like this delivered!
- **Snack Hour Parties** - We'd love to have your staff in our lounge for free appetizers! Give us a call to reserve your table.

We are looking to establish a relationship with you and your school. I would like to set up an appointment for you to come into the restaurant to meet me to discuss the "Adopt our School" program. Or I would be happy to drop by and meet with you in your office. Please let me know when is convenient to set up an appointment or luncheon.

I am excited to build this relationship throughout the community! Thank you and I look forward to meeting you.

Warm Regards,
Susie Parente 321-604-1429
Marketing Director
