The Hearing Center at Florida Eye Associates is a full-service hearing testing center and hearing aid dispensary.

We offer innovative hearing instruments, sophisticated testing equipment and a versatile lab for cleanings and hearing aid repairs and recommendations. Our testing system, the Otogram by Tympany, performs a comprehensive series of tests including tympanometry, otoacoustic emissions, acoustic reflex, air and bone conduction, speech discrimination and speech reception.

To schedule a hearing aid cleaning and consultation or a comprehensive hearing work-up, call 321-727-2020.
