NEW!! Organization: Project Learning Tree

Description: Project Learning Tree offers grants for environmental service-learning projects that link classroom learning to the real world. Students implement an action project they help design to green their school or to improve an aspect of their neighborhood's environment. The projects partner students with their whole school, local businesses and/or community organizations, and provide opportunities for student leadership. The funds can be used by students to implement recycling programs at their school, conserve water and energy, establish school gardens and outdoor classrooms, improve a forest, or restore a natural habitat, for example.

Eligibility: schools and youth organizations - applicants must have attended a PLT workshop, either in-person or online, that provides training, lesson plans, and other resources to help integrate these projects and environmental education into your curriculum or youth programs.

Amount of Awards: up to \$1,000
