

SCHOOL SUPPLY DRIVE

OFFICE CLEAN-UP PROJECT

Does your office need some organization? Why not facilitate a “clean-up” project and donate the items you no longer need to the Supply Zone for Teachers? Your office gets organized, becomes more functional, and The Supply Zone for Teachers receives useable items for the shelves of Brevard County’s teacher resource center!!!

- ✍ Encourage employees to clean and organize their areas and free the office of clutter.
- ✍ If you have extra pens, pencils, tape, glue, folders, etc. that you no longer use, please donate them to Supply Zone for Teachers!
- ✍ Do you have paper left over from a project that may never be used? Teachers use multitudes of paper!
- ✍ Before you throw anything away, please check with The Supply Zone for Teachers first! Teachers appreciate useable office supplies for use in their classrooms. Often times, students come to school without the basic supplies needed for learning and your supplies can help students succeed!

Questions about which supplies we accept? Please contact Elizabeth Schreiber at 321-617-7727, 321-633-3660 ext. 301, or Schreiber.Elizabeth@BrevardSchools.org.
