Organization: Captain Planet Foundation

Description: The mission of the Captain Planet Foundation is to promote and support high-quality educational programs that help children and youth to understand and appreciate our world through learning experiences that engage them in active hands-on projects to improve the environment in their schools and communities.

Grants are intended to serve as a means of bringing environment-based education to schools and inspire youth and communities to participate in community service through environmental stewardship activities. On occasion, the
foundation will fund unique and innovative projects that do not precisely match the grant guidelines but otherwise promote its mission to support hands-on environmental activities.

Eligibility: Educators, both K-12 classroom and informal

Amount of Awards: $500 - $2500

Deadline: January 15, 2019
