New! Organization: NoVo Foundation

Description: NoVo Foundation is committed to supporting the spread of social and emotional learning (SEL) practices in schools and districts nationwide. We know practitioners have some of the most inspiring, effective and innovative ideas in the field. NoVo Foundation, in partnership with Education First and Rockefeller Philanthropy Advisors, aims to seed projects that foster social and emotional competencies in students in grades PK-12. Whether you have an idea for a new initiative or want to expand or continue an existing project, we want to hear from you. For the 2019-20 school year.

Eligibility: we are inviting applications from two applicant pools:

- Individual teachers or teams of teachers seeking to implement SEL initiatives in your classroom or school in the 2019-2020 school year, and
- District-level applicants seeking to implement SEL initiatives district-wide and/or across multiple schools within one district (including a charter network).

Amount of Awards: Grant awards for teacher-led projects will be a maximum of \$5,000 each. District-level grant awards will be a maximum of \$25,000 each.

Deadline: March 22, 2019

Organization: Ezra Jack Keats Foundation

Description: Established by children's book author and illustrator Ezra Jack Keats, the [Ezra Jack Keats Foundation](#) is accepting applications from public schools and public libraries anywhere in the United States and its territories to its mini-grants program, which supports projects that foster creative expression, collaboration, and interaction with a diverse community.

Through the program, mini-grants will be awarded to educators in support of special activities and events outside the standard curriculum. Projects funded in the past have included murals, pen pal groups, quilts, theater productions, student newspapers and other publications, intergenerational activities, and programs that bring disparate communities together.

Eligibility: Public school or library

Amount of Awards: up to \$500.

Deadline: March 31, 2019

Organization: Action for Healthy Kids

Description: [Action for Healthy Kids](#) works to combat childhood obesity, undernourishment, and physical inactivity by helping schools become healthier places that assist kids in leading healthier lives. The organization partners with dedicated volunteers — teachers, students, moms, dads, school-wellness experts, and others — from within the ranks of its more than sixty-thousand-strong network to create healthful changes in schools.

To that end, the organization has issued a Request for Proposals for its 2019-20 Breakfast for Healthy Kids and Game on Grants programs.

School Breakfast Grants: Up to two hundred and fifty schools will receive grant awards

Game On Grants: Up to five hundred schools will be awarded grants in support of physical activity and nutrition initiatives

Eligibility: Public school teachers, public education support professionals, and/or faculty and staff in public institutions of higher education

Amount of Awards: \$500 - \$3,000

Deadline: April 5, 2019

Organization: Captain Planet Foundation

Description: The [Captain Planet Foundation](#) is accepting applications from schools and nonprofit organizations for its Ecotech Grant program, which supports projects that motivate children through the science, technology, engineering, and math fields while challenging them to re-imagine the way their world can be.

The program was created to combat the notion that students needed to choose between "the screen" or "the green" and to encourage educators and students to explore the role technology can play in designing and implementing solutions to some of our most pressing environmental challenges.

Eligibility: schools or nonprofit organizations

Amount of Awards: \$2,500.

Deadline: July 15, 2019

Website: <https://captainplanetfoundation.org/grants/ecotech/>

Organization: Toshiba Foundation

Description: Toshiba America Foundation (TAF) grants fund the projects ideas and materials teachers need to innovate in their math and science classrooms. TAF is interested in funding projects designed by teachers or small teams of teachers for use in their own schools.

Toshiba America Foundation believes science and mathematics are exciting fields in which all students can succeed with the proper tools and instruction.

Eligibility: Pre K – 12 educators Toshiba America Foundation grants support public and nonprofit private schools throughout the United States.

Amount of Awards: \$5,000

Deadline: quarterly
