NEW! Organization: NWEA

Description: [NWEA](#), a not-for-profit provider of assessment solutions headquartered in Portland, Oregon, has announced the launch of its Educators for Equity Grant Program, a new initiative aimed at helping schools foster academic growth and achievement for pre-K-12 students who face systemic barriers to academic opportunities.

Educators, including teachers, principals, and education specialists, may apply for a grant award for their schools or districts to fund programs and activities that directly support the academic progress of students. Fundable activities can include curricula as well as programs that support student engagement in the classroom; help facilitate dialogue amongst educators, students and families about high academic expectations; and provide needed academic supports such as academically-focused afterschool programs.

Eligibility: Educators, including teachers, principals, and education specialists, may apply for a grant award for their schools or districts

Amount of Awards: 3 up to \$10,000

Deadline: June 30, 2019

Organization: Captain Planet Foundation

Description: The [Captain Planet Foundation](#) is accepting applications from schools and nonprofit organizations for its Ecotech Grant program, which supports projects that motivate children through the science, technology, engineering, and math fields while challenging them to re-imagine the way their world can be.

The program was created to combat the notion that students needed to choose between "the screen" or "the green" and to encourage educators and students to explore the role technology can play in designing and implementing solutions to some of our most pressing environmental challenges.

Eligibility: schools or nonprofit organizations

Amount of Awards: \$2,500.

Deadline: July 15, 2019
