NEW! Organization: Society of Aviation and Flight Educators

Description: The Society of Aviation & Flight Educators, Inc.(SAFE) is offering four \$250.00 grants designed to encourage K-12 classroom teachers to incorporate aviation-themed lessons into their normal curriculum. Aviation and aerospace topics are the perfect adjunct for teaching science, math, history, and even art. Aviation and aerospace are topics that generate enthusiasm with all types of learners and all ages of students. An individual teacher or a group of teachers from the same school may apply for a grant to design an aviation-themed classroom unit or complete an aviation-themed project. For example, a SAFE grant could be used to pay for a bus and admission fees to take students to visit an aviation museum, go on a field trip to the local airport, buy materials to build a balsa wood glider or model rocket, or fund another type of project with an aviation or aerospace theme.

Eligibility: Any credentialed teacher in a public, private, or charter school may apply for a grant. Local STEM coordinators and homeschooling cooperatives may also apply for a grant.

Amount of Awards: FOUR SAFE grants will be awarded. Two grants will be for teachers in Grades K-7 and two grant will be for teachers in Grades 8-12.

Deadline: August 31, 2019

New! Organization: Toshiba America

Description: The [Toshiba America Foundation](#) is accepting grant applications from grade 6-12 teachers for innovative science, technology, engineering, and math (STEM) projects.

Through the program, grants of at least \$5,000 will be awarded in support of teacher-led projects with the potential to provide students with opportunities to "do science" in ways that increase their engagement with the subject matter and improve their learning. The foundation strongly encourages projects planned and led by individual teachers or teams of teachers for their own classrooms.

Note: the foundation supports project-based learning and **does not consider requests for computers, laptops, or tablets.**

Eligibility: grades 6-12 teachers who are passionate about making science and mathematics more engaging for their students.

Amount of Awards: \$5,000

Deadline: November 1, 2019
