!New – Whole Kids Foundation

Description: The Whole Kids Foundation is a nonprofit 501(c)(3) founded by Whole Foods Market and guided by the same values, principles, expertise, and standards for quality ingredients, food production methods, and nutrition. To help advance its mission, the foundation is inviting applications for its Garden Grant Program. Driven by the idea that kids who grow veggies are more likely to eat veggies, schools and non-profit organizations will be awarded grants to turn outdoor spaces into hands-on learning gardens that connect kids with food, spark their curiosity about gardening and fresh food, and support classroom curriculum. The program supports both new and existing educational gardens.

Eligibility: applicants must be a charter or public school (including tribally controlled and Bureau of Indian Education schools), a nonprofit private school, or a nonprofit organization or tribal entity that serves children in grades K-12.

Amount of Award: \$3,000.

Deadline: March 31, 2021

National Education Foundation

Description: The NEA Foundation believes public education should stimulate students' curiosity and excitement about learning and help them become successful 21st-century global citizens.

Educators frequently need outside funding for classroom resources. With our Student Success grants, NEA members are helping students learn how to think critically and solve problems. The NEA Foundation has successfully provided funding to thousands of educators to enable them to take the lead on a wide range of projects to improve student learning.

Applicants must be teachers, education support professionals, or specialized instructional support personnel and must be current NEA members. Current NEA Foundation grantees are ineligible for this funding opportunity. A successful proposal will also make an individual ineligible for other NEA Foundation funding opportunities, until the grant is successfully completed and closed out.

Grant funds can be used for resource materials, supplies, equipment, transportation, technology, or scholars-in-residence. Although some funds may be used to support the professional development necessary to implement the project, the majority of grant funds must be spent on materials or educational experiences for students.

Eligibility: Applicants must be teachers, education support professionals, or specialized instructional support personnel and must be current NEA members.

Amount of Award: \$2,000.00 and \$5,000.00

Deadline: The application deadline is March 19, 2021.
