

Back to School Blast-Off

Help Students Blast-Off for the School Year Sponsor our School Supply Giveaway Saturday, July 29, 2023

Every year, the Back to School Giveaway helps Brevard County children start the school year off right. 2,500 students from under-resourced communities are invited to receive new school supplies, backpacks, books, dental kits, hygiene products, and other necessities free of charge.

The Back to School Blast-Off is the Supply Zone's annual kickoff event—the first of many supply giveaways for the school year. Please help us start this year with a successful blast-off by sponsoring or supporting in some way.

Other Ways You Can Help

Host a Supply Drive

Whether at work, church, social club, or amongst friends, please consider hosting a supply drive! By working together you can make an even greater impact—and don't forget to take advantage of the Back-to-School sales and tax-free week!

Serve as a Public Drop-Off Site

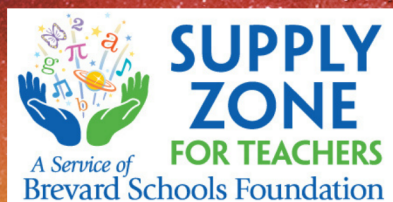

We need community partners for our public drive during the month of August. We would promote your site as a donation drop-off point; all you have to do is attach a copy of our Supply Drive poster to a box and make it accessible to the public.

The Supply Zone for Teachers is a nonprofit resource center that provides free supplies for teachers to use in high-poverty classrooms in Brevard County, Florida. Established in 2014, the Supply Zone has already served **more than 207,000 students** by distributing **over \$7.5 million in supplies**.
