!New - National Park Trust: Every Kid Outdoors Small Grants Program

Description: The Every Kid Outdoors Small Grants Program, a program of the National Park Trust in partnership with the USDA Forest Service, provides support to nonprofit organizations and schools in the U.S. that connect elementary school-aged youth to public parks, lands, and waters. The goal is to ensure every child in the United States has the opportunity to visit public lands and waters by the time they are 11 years old, thereby establishing a lifelong connection to U.S. outdoor heritage. Support is provided to connect elementary school-aged youth to public parks, lands, and waters through a positive and impactful outdoor experience. Special consideration will be given to requests specifically engaging 4th grade students and to requests that take place on USDA Forest Service lands and grasslands. Funding covers transportation and experience costs associated with approved outdoor outings.

Eligibility: nonprofit organizations and schools in the U.S

Amount of Award: \$5,000.

Deadline: November 30, 2023

Laura Bush Foundation for America's Libraries

Description: The Laura Bush Foundation for America's Libraries provides funds to the nation's neediest schools so that they can extend, update, and diversify the book and print collections in their libraries with the goal of encouraging students to develop a love of reading and learning. Funds may be used for the purchase of print or Braille volumes, audio-books, e-books, or magazine/serial/e-magazine subscriptions. Schools must have a library or designated space on campus where books are accessible to all students to check out. Visit the [George W. Bush Institute's website](https://www.bushcenter.org/lbf-application-details) to access the online application.

Eligibility: Eligible applicants include public schools, neighborhood schools, charter schools, and magnet schools that are Title 1 eligible, as well as private and parochial schools in which at least 50% of the student population qualify for financial aid.

Amount of Award: varies

Deadline: Monday, November 27, 2023

Website: <https://www.bushcenter.org/lbf-application-details>

National Wildlife Federation

Description: The National Wildlife Federation, alongside our new partner, [Garden for Wildlife Inc.](#), have launched an initiative to support our partners (k-12 schools, colleges/universities, churches, etc.) in their efforts to **expand quality native habitats for people, pollinators, and wildlife**. Garden for Wildlife Inc., sells “direct-to-consumer” native plants to 38 states in the eastern and central United States (western states are coming soon!)

The National Wildlife Federation, alongside our new partner, [Garden for Wildlife Inc.](#), have launched an initiative to support our partners (k-12 schools, colleges/universities, churches, etc.) in their efforts to **expand quality native habitats for people, pollinators, and wildlife**. Garden for Wildlife Inc., sells “direct-to-consumer” native plants to 38 states in the eastern and central United States (western states are coming soon!)

Your campus can now apply for free native plants for your native plant and habitat projects

These plants will come pre-selected, be native to your area, and include at least one species of milkweed, an essential plant for supporting pollinators and monarch butterflies. These plants are slightly smaller than quart size, with at least 3 inches of new growth. They will begin to bloom within a couple of months of planting, depending on the season.

For more information contact: Kristy Jones Jonesk@nfw.org; National Wildlife Federation

Eligibility: k-12 schools, colleges/universities, churches, etc.

Amount of Award: plants

Deadline: ongoing

\$\$\$\$\$

Organization: Herb Society of America

Description: Thanks to the generosity of Donald Samull, who made a **planned gift** to The Herb Society of America, an herb garden grant program for elementary school classes was established more than a decade ago. These grants ensure that learning about herbs can be part of the curriculum, a resource Mr. Samull — an elementary school teacher — regularly used in his own classroom.

Grants fill fund the establishment of an herb garden. In addition to plants, the funds may be used for supplies such as soil, plants trays, containers, child or youth sized tools, etc.

Eligibility: Elementary classrooms grades 3-6 with fifteen students or more

Amount of Award: \$300.

Deadline: quarterly

Website: <https://www.herbsociety.org/get-involved/grants-scholarships/>

\$\$\$\$\$

Organization: Classics for Kids Foundation

Description: If your school or non-profit organization believes in the role of fine instruments in your program, and can

show evidence of need and commitment to raising matching funds, you are a strong candidate for the Classics for Kids matching grant program.

Eligibility: applicants must have nonprofit status and be based in the United States.

Amount of Award: stringed instruments

Deadline: quarterly – March 31, June 30, September 30, December 31

Website: [Apply for a Grant – Classics for Kids](#)

\$\$\$\$\$

Organization: National Geographic – COVID 19 Remote Learning Emergency Fund for Educators

Description: National Geographic: COVID-19 Remote Learning Emergency Fund for Educators

National Geographic's COVID-19 Remote Learning Emergency Fund for Educators supports individual educators, or individual educators working in collaboration with other educators or National Geographic Explorers, to design instructional resources that help educators effectively teach in remote or hybrid learning environments. Grants are provided in the subject areas of science, social studies, and geography. Priority is given to educators working in communities that have been particularly hard hit by the pandemic. K-12 teaching professionals worldwide who work directly with students in the classroom are eligible to apply.

Eligibility: K-12 teaching professionals

Amount of Awards: \$1,000 to \$8,000

Deadline: Applications are accepted on a continual basis

Website: <https://www.nationalgeographic.org/funding-opportunities/grants/what-we-fund/covid-19-emergency-fund-educators/>

\$\$\$\$\$

Deadline: applications accepted year round

Website: <https://www.verizon.com/about/responsibility/grant-requirements>

\$\$\$\$\$

Organization: Teaching Tolerance

Description: The mission of Teaching Tolerance, a project of the Southern Poverty Law Center, is to help teachers and schools educate children and youth to be active participants in a diverse democracy. Teaching Tolerance Educator Grants support educators who embrace and embed anti-bias principles throughout their schools. These grants support projects that promote affirming school climates and educate youth to thrive in a diverse democracy.

Eligibility: These grants fund projects on three levels: school, classroom, and district. Educators nationwide in public or private K-12 spaces, as well as in alternative schools, therapeutic schools, and juvenile justice facilities are eligible to apply

Amount of Awards: \$500 - \$10,000

Deadline: Any time

Website: <https://www.tolerance.org/about/educator-grant-guidelines>

\$\$\$\$\$

Organization: Florida Agriculture in the Classroom

Description: The grants are meant to supplement FAITC's *Gardening for Grades*, *Gardening for Nutrition* and *STEMming Up Gardening*, three books that take Florida teachers through the process of developing a school garden, and includes lessons to help teachers use the garden to teach health, science, language arts, math, technology, engineering and other subjects.

The grants will be awarded on a first-come, first-serve basis to those who meet all of the grant requirements. The guidelines for the grant are below. Please note multiple teachers from the same school cannot apply for the grant, only one grant recipient per school.

Eligibility: Certified teachers in Florida engaged in classroom instruction at the pre-kindergarten through 12th grade level who wish to create fruit and vegetable school gardens to enhance students' understanding of agriculture.

Amount of Awards: \$500.

Deadline: ongoing until funds depleted

Website: <https://faitc.org/school-garden-grants/>

\$\$\$\$\$

Organization: Toshiba Foundation

Description: Toshiba America Foundation (TAF) grants fund the projects ideas and materials teachers need to innovate in their math and science classrooms. TAF is interested in funding projects designed by teachers or small teams of teachers for use in their own schools.

Toshiba America Foundation believes science and mathematics are exciting fields in which all students can succeed with the proper tools and instruction.

Eligibility: Pre K – 12 educators Toshiba America Foundation grants support public and nonprofit private schools throughout the United States.
