

12th Annual  
**Reach for the Stars**  
*Gala* 2024

Dear Friends,

It's that time of year again! We are excited to announce the 12th Annual Take Stock in Children's Reach for the Stars Gala will be September 14, 2024, at the Crowne Plaza Oceanfront. We need your support to change the lives of motivated, deserving students by providing them with a caring mentor, a success coach, and the promise of a college scholarship.

Over the past four years, all 270 seniors in the Take Stock in Children Brevard program graduated from high school! Impressively, more than 60% of these graduates have earned some college credits, and 35 students even received an associate's degree at their high school graduation.

Our program positively impacts professional employment in Brevard County. Our graduates are now working locally in fields like nursing, pharmaceuticals, engineering, social work, K-12 and postsecondary education, cybersecurity, and more.

We need your partnership to continue making a difference in these students' lives. Your investment will profoundly impact these children, offering them hope for a brighter future, mentoring, college and career readiness skills, and a scholarship for their future education. **Plus, every scholarship dollar we raise is 100% matched by the Florida Prepaid College Foundation.**
