

12th Annual

Reach for the Stars Gala 2024

Dear Friends,

Get ready for an unforgettable evening that will ignite hope, inspire change, and transform lives! We are thrilled to announce the 12th annual Take Stock in Children Reach for the Stars Gala, happening on Saturday, September 14, 2024, at the Crowne Plaza Oceanfront in Melbourne. This is not just another event—it's an opportunity to be part of something truly extraordinary.

Imagine the impact you can make by providing students in need with the essential tools for success. By attending and supporting our gala, you will become a catalyst for change, empowering these talented young individuals with caring mentors, success coaches, and the promise of a college scholarship. Together, we can break down barriers and open doors to a brighter future.

The numbers speak for themselves: in the past five years, every single one of the 270 seniors in the Take Stock in Children program have graduated from high school! But it doesn't stop there. Over 60% of these remarkable graduates have already earned college credits, setting them on a path towards even greater achievements. In fact, 35 of these exceptional individuals had gone on to earn their associate degree by the time they graduated high school. This is the power of your support in action.

But it's not just about education—it's about building a thriving community. The graduates of our program are making a significant impact right here in Brevard County. They are working locally in vital fields such as nursing, pharmaceuticals, engineering, social work, K12 and postsecondary education, cybersecurity, and so much more. These young professionals are not only shaping their own futures but also contributing to the prosperity of our region.

We need your partnership to continue this incredible journey of transformation. Your investment will have a profound and lasting impact, changing the course of these students' lives by providing them with hope, mentorship, college and career readiness skills, and a scholarship for their future education. And here's the best part: every scholarship dollar we raise is 100% matched by the Florida Prepaid College Foundation, doubling the power of your generosity.

Join us as a sponsor today and become a champion for change. Alternatively, you can make a difference by purchasing an individual ticket and experiencing the gala firsthand. Don't miss out on this extraordinary opportunity to connect with like-minded individuals, share in the triumphs of our students, and be inspired by their unwavering determination.

In addition to monetary contributions, we also welcome in-kind donations of services and items for our auctions and raffle prizes. Your generous donation will not only provide essential tools for success to students in need but also contribute to the excitement and success of our gala event.

If you're interested in donating in-kind services or items, please reach out to Amanda Thurn at 321-633-1000 x 11474 or thurn.amanda@brevardschools.org. Let's explore how we can amplify the power of your support together.

To secure your sponsorship or purchase individual tickets, simply visit our website at:

Thank you for recognizing the immense potential within each student in the Take Stock in Children program. Together, we can create a ripple effect of opportunity and empowerment that will not only transform individual lives but also elevate our entire community.

Sincerely,

Jim Clamons
TSIC Leadership Council Chair
