13th Annual  
**Reach for the Stars**  
*Gala* 2025

Dear Friends,

We are excited to invite you to the **13th Annual Take Stock in Children Reach for the Stars Gala** on **Saturday, September 20<sup>th</sup>** at the **Eau Gallie Yacht Club** - a night to celebrate and support the future of Brevard County students.

Your support changes lives. Through the Take Stock in Children program, students in need are paired with caring mentors, college success coaches, and receive the promise of a college scholarship. These tools are breaking down barriers and building brighter futures - many of our scholarship recipients will be the first in their families to attend college.

And the results speak for themselves:

- Nearly all of our 270 seniors over the past five years have graduated high school.
- 60% have already earned college credits.
- 35 students even completed their associate degree before graduating high school.
- Studies show that graduates, like ours, tend to live longer, are more likely to vote, and are three times more likely to be employed.

These students are now giving back to our local community in fields like education, healthcare, engineering, cybersecurity, and more.

Every dollar raised is doubled thanks to a match from the Florida Prepaid College Foundation. Your gift - whether through sponsorship, ticket purchase, or in-kind donation - makes a lasting impact.

Funds raised at our annual Take Stock in Children Gala support all aspects of our program, including the annual purchase of \$125,000 in scholarships and program operations. Philanthropy fuels us to fulfill our intensive mentorship program and the life-changing promise of educational opportunity beyond high school for each graduating mentee.

For sponsorships and tickets, in-kind donations and raffle items, reach out to: **Marci Davis Reed** at [davis.marci@brevardschools.org](mailto:davis.marci@brevardschools.org) or 321-633-1000 x11756. You also may register online at <https://bit.ly/2025r4tsGala>.

Thank you for helping us create a ripple effect of opportunity that transforms lives and uplifts our entire community.

With gratitude,

Jim Clamons
