!NEW – Whole Foods Market Foundation

Description: In partnership with the [Bee Cause Project](#), Whole Kids invites applications for its Bee Grants program, which provides support for educational beehives and bee programming to schools and nonprofit organizations so students can observe bees up close and learn about pollinators' vital role in our food system. Recipients can apply for a monetary or equipment grant to assist schools in bringing live bees to their campus or grow their existing educational hive program. Recipients will receive grant options of a monetary grant or an equipment grant for an indoor hive.

Eligibility: K-12 schools or nonprofit organizations serving grades K-12 in the United States and Canada.

Amount of Award: up to \$1500.00

Deadline: October 15, 2025

Website: <https://www.wholefoodsmarketfoundation.org/our-work/childrens-nutrition/bee-grant>

\$\$\$\$\$

!NEW – Herb Society of America

Description: In 2026, the Herb Society of America will award 15 grants to schools for planting, expanding or improving an herb garden. Established more than a decade ago from the generous gift of Don Samull, an elementary school teacher, the grant now awards \$500 for the purchase of supplies such as soil, plants, and gardening tools.

Eligibility: elementary classrooms grades K-6 with 10 students

Amount of Award: \$500

Deadline: October 1, 2025

Website: <https://www.herbsociety.org/get-involved/grants-scholarships/grants-and-scholarships-landing.html>

\$\$\$\$\$

INEW – Mark Schonwetter Holocaust Education Foundation

Description: The [Mark Schonwetter Holocaust Education Foundation](https://mshefoundation.org/) invites applications for its 2025-26 Teacher Grant Program. Through the program, educators across the United States, including those in middle schools, high schools, and universities, are eligible to apply for grants to support impactful Holocaust education in their classrooms. Grants can be used to fund Holocaust-related learning materials, field trips, Holocaust survivor speakers, and other learning resources.

Eligibility: 4-12th grade educators

Amount of Award: up to \$1000

Deadline: October 17, 2025

Website: <https://mshefoundation.org/grants/>

\$\$\$\$\$

Les Paul Foundation

Description: The Les Paul Foundation inspires innovative and creative thinking by sharing the legacy of Les Paul through support of music education, recording, innovation, and medical research related to hearing. Grants are provided to 501(c)(3) organizations and schools within the United States for programs and projects that encourage innovation in music production and performance and for innovative STEM or STEAM programs for students and others in challenging situations. Funded organizations and programs include music education organizations and schools (including public schools), music recording and music industry education programs, STEM/STEAM programs that emphasize innovation and align with Les Paul's work, and after-school science and music programs that align with Les Paul's work.

Eligibility: Public schools and 501(C) (3) organizations

Amount of the Award: \$1500 - \$2000

Deadline: January 15 and September 15 annually

Website: <https://www.les-paul.com/the-foundation/#grants>

\$\$\$\$\$

Ben Carson Reading Project

Description: The Carson Scholars Fund seeks to combat the American education crisis by discovering promise and rewarding excellence in U.S. schools. The Fund's Ben Carson Reading Project offers support for Think Big Reading Rooms. This program provides funding for schools to purchase high-interest books, furniture, and decor to create a literacy-rich environment that fosters a love of reading and learning. While the ideal space is a classroom, a portion of the school's library may also be used.

Eligibility: Public and private schools

Amount of the Award: To be determined

Deadline: Open

Website: <https://carsonscholars.org/apply-for-a-reading-room/>

\$\$\$\$\$

Organization: Henry Chapin Foundation

Description: The Harry Chapin Foundation makes grants in the areas of education, arts, agriculture, and the environment. Priority is given to arts-in-education programs, agricultural and environmental programs, and community education programs. Previous grants were used to fund schools to help prepare children for servant leadership, higher education, and a successful career; organizations that serve children in underserved communities to read, interpret, and respond to their world; and a volunteer effort of planting, picking, rescuing, and delivering free fresh produce.

Eligibility: nonprofit 501(c)(3) organizations and public prekindergarten through grade 12 schools.

Amount of Award: Up to \$10,000

Deadline: Applications are accepted year-round

Website: <https://harrychapinfoundation.org/apply/>

\$\$\$\$\$

Organization: The Verizon Foundation

Description: The Verizon Foundation grants education initiatives that support projects promoting digital skills development for kindergarten through grade 12 students and teachers. Examples include summer or afterschool programs in science, technology, engineering, and mathematics (STEM); teacher professional development; and research on technology-infused pedagogy.

Eligibility: Eligible applicants are nonprofit 501(c)(3) organizations, government agencies, hospitals or medical research organizations, public colleges and universities, and public and private elementary and secondary schools.

Amount of Award: Awards vary

Deadline: applications are accepted year-round

Website: <https://www.verizon.com/about/responsibility/grant-requirements>

\$\$\$\$\$

Organization: Association of American Educators Foundation

Description: Classroom grants from the Association of American Educators (AAE) Foundation can be used for a variety of projects and materials, including but not limited to books, software, calculators, mathematics manipulatives, art supplies, audio-visual equipment, lab materials, and more. Funds must be used within one year of the application deadline.

Eligibility: All full-time educators who have not received a scholarship or grant from AAE in the past two years are eligible to apply.

Amount of Award: \$500

Deadline: Applications are due March 1 and October 1, annually.

\$\$\$\$\$

Organization: National Wildlife Federation

Description: The National Wildlife Federation, alongside our new partner, [Garden for Wildlife Inc.](#), have launched an initiative to support our partners (k-12 schools, colleges/universities, churches, etc.) in their efforts to **expand quality native habitats for people, pollinators, and wildlife**. Garden for Wildlife Inc., sells “direct-to-consumer” native plants to 38 states in the eastern and central United States (western states are coming soon!)

The National Wildlife Federation, alongside our new partner, [Garden for Wildlife Inc.](#), have launched an initiative to support our partners (k-12 schools, colleges/universities, churches, etc.) in their efforts to **expand quality native habitats for people, pollinators, and wildlife**. Garden for Wildlife Inc., sells “direct-to-consumer” native plants to 38 states in the eastern and central United States (western states are coming soon!)

Your campus can now apply for free native plants for your native plant and habitat projects

These plants will come pre-selected, be native to your area, and include at least one species of milkweed, an essential plant for supporting pollinators and monarch butterflies. These plants are slightly smaller than quart size, with at least 3 inches of new growth. They will begin to bloom within a couple of months of planting, depending on the season.

For more information contact: Kristy Jones Jonesk@nfw.org; National Wildlife Federation

Eligibility: k-12 schools, colleges/universities, churches, etc.

Amount of Award: plants

Deadline: ongoing
